III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: www.fei.org.

Top Score Driving Competition	X
-------------------------------	---

Scoring and Classification:

Each obstacle is allotted 10 to 120 points according to difficulty. Each obstacle may be approached in any direction, but only twice. The athlete is credited with the allotted number of points per obstacle he has driven correctly. In a maximum allowed time (3 minutes) the Athlete may pass all the obstacles he wishes in any order. Ringing the bell declares the end of the time allowed. The athlete must then cross the finishing line in any direction to allow his time to be recorded. If the horses are already in the obstacle when the bell rings, this obstacle still counts.

Taking an obstacle more than twice does not cause elimination; however, the athlete does not score any points.

One obstacle specially marked by flags is the "Joker", which may also be taken twice. The 200 points are awarded each time the "Joker" is driven correctly. If it is not driven correctly 200 points are deducted.

Obstacles knocked down during the round will not be rebuilt; if they are driven again, no points will be credited to the athlete.

Winner is the athlete, who has obtained the highest number of points. In case of equal points, the fastest time decides. In case of equality of points and time for the first place, there will be a drive-off over the same course with a shortened time (2 minutes)

Starting order F3: in reverse order of results after Dressage F2

A team consists of 1 eventing rider, 2 jumping riders and one four-in-hand driver. They enter the arena together. The eventing athlete starts first and jumps a course of approx. 12 XC type obstacles.

As soon as the horses forefeet of the eventing rider jumping the last obstacle have reached the ground, the 1st jumping rider may jump the first obstacle of his round.

As soon as the horses forefeet of the 1st jumping rider jumping the last obstacle have reached the ground, the 2nd jumping rider may jump the first obstacle of his round.

In the meantime the eventing rider dismounts his/her horse and the horse is brought outside of the arena by the groom. The eventing rider walks on foot to the finish line of the jumping course.

As soon as the 2nd jumping rider has crossed the finish line the eventing athlete runs to the drivers' waiting area and mounts the carriage.

The carriage driver must then drive an obstacle course with cones and Marathon-type obstacles.
