## London Olympic Games 2012

The 30th Olympic Games will take place in London from 27 July to 12 August 2012. After 1908 and 1948, this is the third time that the English capital plays host to the Games.

### 1. Jumping

Show jumping, also known as "stadium jumping," "open jumping," or "jumpers," is a member of a family of English riding equestrian events that also includes dressage, eventing, hunters, and equitation.

Jumping classes commonly are seen at horse shows throughout the world, including the Olympics.
